OBJECTIVE

I'm a third-year student at the University of Agriculture and Forestry in Ho Chi Minh City. I'm undergraduate, my major is Biotechnology. I'm eager to integrate Artificial Intelligence (AI) into biotech for enhanced research and applications. My goal is to contribute innovative solutions at the intersection of Biotechnology and AI, advancing areas like genetic engineering and drug discovery.

EDUCATION

High-school diploma: Thang long high school for the gifted 2018-2021
3rd prize in the provincial French language excellence competition. GPA: 8.50/ 10

Biotech Engineer: University of Agriculture and Forestry Ho Chi Minh city Expected 2025

SKILLS

Technical Skills	Python
Soft Skills	Multitask, Teamwork, Communication

EXPERIENCE

French language tutor	2022 - current
Freelance	<i>Ho Chi Minh city, Vietnam</i>

- Helps high-school students to hone Communication skills in French.
- Provided students with weekly progress notes, setting learning objectives and tracking their improvements.
- Met and collaborated with student's parents to set realistic learning goals.

PROJECTS

Object detection & Image labelling (personal project): Detect object in camera realtime image by using Python, YOLOv8, Bounding box. GitHub: ([Try it here](#))

Data handling (personal project): Expertise in data handling showcased through diverse dataset acquisition, preprocessing. GitHub: ([Try it here](#))

Diamond prediction (personal project): Utilized machine learning for accurate diamond quality forecasting, optimizing models for precise results. GitHub: ([Try it here](#))

Text retrieval (personal project): Developed efficient algorithms for retrieving relevant information from large datasets, enhancing search accuracy and speed. GitHub: ([Try it here](#))

EXTRA-CURRICULAR ACTIVITIES

- Interest: Actively engaged in reading, watching Netflix documentaries series, fostering team spirit and a balanced lifestyle.
- Certificates: Coursera certificates for [deep learning course](#), reflecting my dedication to AI.

LANGUAGE

- English: B2
- French: B1
- Chinese: HSK2
- Vietnamese: Native
